**The Grand Chef Sez**

Fellow Voyageurs,

The Grande Spring Cheminot and Wreck was this past weekend in Springfield, Missouri. I believe a good time was had by all who attended.

A special thanks to Chip Berkley, Terry McDonald and their crew for their great work on making this a great event. Also a special thanks to the wrecking crew who worked very hard to make this a great wreck. We had a very active wreck, bringing in 6 new voyageurs. I'd be interested in any pictures if anyone has any to share with me and my historian Richard Pack.

Also a special thanks to Leon and Linda Hill who did an awesome job with the Hillbilly Golf Grand Fundraiser. It was a big success you raised over \$1300.00.

We also had the pleasure of attendance by Sous Chef de Chemin de Fer Bill Simpson. I think he had an enjoyable time with us and our Missouri hospitality.

I have to apologize for not having a voice for the wreck. It was very frustrating not being able to talk. Thanks Chip and Ralph for being my voice. As of this morning, I do have some of my voice back. Thank goodness!!

OK it's that time of year again. It's Push Time to get to that 100% membership. With the 6 new voyageurs we are 92 short of

100%, so lets get on the phone, letters, computers, I-Phones and get r done. We are around 90% and with a little push we can make it.

Now is the time to start planning to attend the next Grande function, the Grande Cheminot and Promenade on July 1st, 2nd and 3rd 2016 at Ramada Inn Oasis and Convention Center in Springfield, Missouri. Hope to see you there.

Patty and I will be leaving for Green Bay Wisconsin Friday morning to attend the Chef de Chemin de Fer Homecoming. As always if you have any questions or concerns you can always contact me at 573-690-4705 or [davidhbexten@gmail.com](mailto:davidhbexten@gmail.com). God Bless our troops and the United States of America.

Yours in Service

Dave Bexten

## Youth Sports

ATTENTION!! ☺ VOITURES Youth Sports Committee Voyageurs ☺

As the Sous Grand Directeur Youth Sports, I am thankful for the responsiveness of the Voiture's in Grande du Missouri for their youth sports activities and the amount of pins thus far that has been purchased this year. There are pins still available. "No athlete shall stay at home for lack of funds." This is 40 & 8 Motto for Youth Sports. Along with the financial support like I received from Voiture 1379 as an example, there is another need that is just as important as financial support, and that is 'individual volunteer support' that many voyageur gives to youth sports in their committees. I like to inform you though that there is a drastic 'need' for volunteer male coaches, chaperons, volunteers that can and are willing to be a bench coach, chaperon etc. for males as Special Olympics 'males' participate in District, Regional, or State Games throughout the year. This is rewarding too. For example, the team that I coach is called, "Shining Stars." It consist of both male and female intellectually disabled Special Olympic athletes. We could not go to Indoor State Games this year because I did not have a 'male' chaperon or volunteer to watch over and help care for the male/boy

athletes. In any event, we do continue to participate in sports in area day games.

As the year comes to a close please think about the above need and know that the Sous Directeur Youth Sports appreciates all those who make Special Olympics possible in Missouri.

At the end of the year there is also a 'Report' that has to be filled out to explain and show all the fun, achievements, time financial support given to Youth Sports in Grade du Missouri. Please email your locale's youth sports report to me. I am assisting the Grand Directeur Youth Sports Curtis Russell with this form. Email address:

[ann.roberts1@hotmail.com](mailto:ann.roberts1@hotmail.com). Or mail the report to me at: 507 Park St. Tarkio, MO 64491. Thank you all for your strong support to Youth Sports and Special Olympics Missouri.

### **SOMO Youth Activation Committee**

We are currently working to build and expand our SOMO Youth Activation Committee (YAC). The mission of YAC is to strive for building an inclusive school environment and community through sports and youth engagement. Our statewide committee acts similar to a high school student council group and meets regularly to build friendships, discuss how we can unify our community and plan events to help fulfill our mission. We currently have a

state YAC group, but are making our first move to develop regional groups who can work closely in their community and feed information and ideas to our statewide YAC program. To be eligible to participate, athletes must be between the ages 14 and 21, active participants in SOMO events (athletes or partners), be able to express themselves in a group setting, and commit to attending at least two meetings at year. This is a great way for our athletes and partners to make friends across the state, develop leadership skills and make a difference in their communities! If you know of an athlete who would be a great fit for our group, please contact Alyssa at [Humphreys@somo.org](mailto:Humphreys@somo.org).

### **MEMBERSHIP**

Membership is the life blood of every organization and without members we will cease to exist. It is every members responsibility to collect membership and not just the membership team. Missouri as a whole is doing great in membership and this past week end at the Grande Wreck we initiated another 6 members into our great organization, but we can not stop now. We still have a few to go to reach our goal of 100% by the end of April.

**SPRING GRAND CHEMINOT, APRIL 3, 2016**  
**RAMADA PLAZA HOTEL, SPRINGFIELD, Missouri**

With a rap of the gavel, Grand Chef de Gare Dave Bexten, opened the Spring Grand Cheminot at 9:00 AM with a salute to the Flag, the Pledge of Allegiance, and a much needed prayer by Grand Aumonier John Kopp.

Roll call of officers showed more absent than excused. Roll call of Grand Chefs de Gare Passé showed that eight answered. Roll call of Grand Cheminot showed that we had a quorum. Voyageurs don't know how to answer roll call so they paid a fine. Absent was Voiture's 760, 966, 1395, and 1402. After the Grand Chef Bexten opened the Cheminot he turned it over to Grand Chef de Train Berkley since Grand Chef could hardly talk.

Grand Avocat Rich Heigert said the same rules as usual.

Notion offered by Tom Goodin, seconded by Sam Guenther, that the Grand Fall Cheminot minutes are accepted as printed and sent out...passed.

Grand Correspondant Terry Lanning stated there were folders for each Grand Directeur and Locale Correspondant. Received a letter from Errol Wilson stating he was resigning from Locale 760 Correspondant due to medical reasons.

Since then Errol has passed away, he will be missed. Roger Wallenburg is taking over as Voiture 760 Correspondant. A report was given on Dave Christian who had fallen and broke his ankle, some ribs and other injuries.

Grand Commissaire Intendant, David Voyles, stated the finance report was passed out and he discussed it. Notion offered by David Voyles, second by Janice Hartley, to accept the Finance report...passed.

Grand Chef de Train Berkley said we are at 90% and called on the Sous Chef de Trains to report on their Voiture's, to which A. J. Noonan, Janice Hartley, Calvin Bumgarner, and Richard Pack did. The Grand has a total membership of 881. This is 48 members less than at this time last year.
