August 2010 - Grand Chef de Gare Larry Ebersold

- **L'Editeur Grant Willis**

The Grand Chef Sez

Fellow Voyageurs;

Larry, what did you get yourself into? That was the question I was asking myself on the drive home June 27th after the installation of officers. It took a couple of weeks to find the answers and when I did it came like a brick in the face. I got into the greatest extended family a person could ever find. It is an honor and privilege to serve as your Grand Chef.

Huge shoes has to be filled and it will take help from everyone.

July has been fun, a couple of trips to Post 624, one of which was to install Barry Campbell as Chef de Gare for V-1403. One to Post 5, for a visit with the wild bunch at V-1292 and another to Post 397 to install Art Johnson as Chef de Gare for V-448. Barry is back after a few years away from the top and Art is back as Chef from last year. You two are doing a great job or they are going to keep you at it until you get it right. We all know which one it is.

With July over, I look to August. What a month, I'll just have time to unpack and repack.

I will be all over the state and I am looking forward to the travel. If you have anything going on let me know and I will show up if

possible, If not someone from the Grand will.

Membership, I know that you don't want to hear it, but it is that time again. Renew, Reinstate and Recruit. Let's get our membership in. Programs organized and reports in order early this year. It would be great to spend the last half of the year not worrying about anything but fun. Looking forward to a great year.

God Bless

Larry
