

## The Grand Chef Sez

Fellow Voyagers,

Here it is, the end of November already. Where did this month go? Deer Season has come and gone. I hope all of you hunters had a successful season. As for me, well.....hmmm, he's still running. On the 20th of November Patty and I decided to head for Georgia for a short visit with my daughter and her husband, the parents of, you guessed it, The Georgia Boys! It was a short trip with lots of fun and joy seeing everyone. My daughter works at Gander Mountain, and yes I spent a little too much time there.

I hope everyone had a great Thanksgiving; our house was filled with great family and food. We have so much to be thankful for. God bless all the troops that could not be home with their family during this holiday season. Tomorrow is the 1st day of December and my wife's birthday. Happy Birthday Babe, and thanks for being by my side. I couldn't do this without you. It is also the start of Voiture Christmas parties. We have been honored to be invited to several Voiture's. I hope the weather cooperates for all our travels. I am looking forward to visiting with everyone. So until next month, hoping for everyone to have a safe and blessed Christmas.

Merry Christmas to All Dave Bexten Grand Chef de Gare

Articles for the Newsletter are due at the end of each month. For the following months I would like to receive an article from the following Directeur's:

### AMERICANISM

Americanism is attachment or allegiance to the traditions, interests, or ideals of the United States this is our heritage. The many activities of the Forty and Eight are designed to acknowledge and preserve that heritage, recognizing all or the inalienable rights of man.

Here are just a few of the programs that the Forty and Eight uses to promote Americanism. Americanism - Promote respect for the flag, Constitution, Law and Order and the proven willingness to defend these principles is evident in the day-to-day activities of members of our society. Flags for First Graders – This program helps educate American youth in the history, respect and protocol.

Nurses Training program In 1941 we began issuing Nurses Scholarships to deserving individuals willing to undergo formal training and make a career of that very noble profession. In 1946 an acute shortage of nurses came to the attention of our Voyageurs and a Nurses Training Program was initiated at the Voiture Locale level. In 1955 Voiture Nationale formally established our current Nurses Training Program. Child Welfare program founded in 1923 to help ease the pain and suffering of those children whose fathers never returned or who were unable to care for their needs after the "Big War." Today, this program has grown to include all children with emergent needs and our efforts amount to over eight millions of dollars annually. Box Car - The National Box Car Association set goals of making contributions to Hospitals, Children's Homes and Orphanages. Expanding its efforts the NBCA supports special projects at the annual Promenade Nationale (National Convention). A party for special children is held in the host city where the children and their escorts are treated to lunch, train rides on visiting Locomotives and entertainment by the NBCA HOBO Clowns and bands,

etc. Also a monetary donation is made to the host cities local VAVS Hospital or Clinic. Other donations go to the National Boland Nurses Training Trust Fund, the Charles Ardery Child Welfare Trust Fund and other programs requiring assistance, such as the National 40&8 Membership Committee, 40&8 Magazine, Law Officer of the Year program, and many others. All funding raised by the NBCA is distributed in the same year it is raised.

Every year I ask Locales to report on their participation through the preceding year. Yet our numbers seem to be far below what they should be because as a Forty and Eighter and a veteran almost every activity you do can be reported somewhere on the Americanism Consolidated report.

The Americanism Consolidated report tracks your activities in terms of hours, dollars spent, and miles traveled and these items can count towards the 40et8 even if you are doing them for another organization. Remember that you are always a 40et8'er. So please keep track of your good deeds and report them so we can let the world know our good work.

Your Voiture may also help support the Americanism program by purchasing pins. The 2016 Americanism pins are available now.

#### **LEGISLATIVE AGENDA - 2016**

Below is the MAVO Legislative Agenda for the 2016 Missouri Legislative Session. You will note that there is no bullet for the legalization of medical marijuana as the various veteran organizations at our meeting last week could not agree on backing this item. Individual veteran's organizations are free to express their own opinion as long as they do not say MAVO that they represent MAVO. Distribution of this agenda will be made to all legislators as well as the executive branch. Legislators will begin prefiling legislation on 1 December 2015.

Richard A. Heigert MAVO Legislative Committee Chairman

- Maintain the current funding for the operation and maintenance of state veterans homes and state veterans cemeteries and, in addition, reinstate and recover General Revenue funding to cover the Missouri Veterans Commission administrative costs, veterans' capital improvement projects, Veterans the Service Officers program, the Veterans Organizations' Service Service Officer Grant Program and other needs of Missouri's veterans;
- Legislative resolution to urge both the Missouri Veterans Commission and the U.S. Department of Veterans Affairs to jointly address the demand for Veterans Skilled Nursing Care in the State of Missouri;
- Obtain a state income tax exemption for the military pay of Missouri residents stationed inside of Missouri;
- Legislative resolution urging Congress and the President to pass the Toxic Exposure Research Act of 2015, (S. 901/H.R. 1769);
- Urge legislation to remove the fee for the Gold Star license plates;
- Support creation of a Missouri WWI Centennial Commission;
- Urge Congress to reinstate POW and MIA as authorized military duty statuses;

 Support any other legislation introduced in the legislature determined by the MAVO Legislative Committee to be in the best interest of veterans.

#### CHILD WELFARE

Greetings Voyageurs,

Thanksgiving has past and the Christmas Holiday season has begun, I would like to wish all Voyageurs and their Families a Merry Christmas and thank you for all you do in support of the Programs of La Societe. This is always a busy time for our Locale Child Welfare programs. Many Children are in need of assistance during the holidays either for food or gifts. I encourage all Locales to reach out and assist these needy families if possible. I would also encourage thorough investigation and follow up into assistance request's to ensure the need is valid and these hard earned funds are used to assist needy Children as this season, unfortunately, also brings out the worst in some people in the form of scams and just plain dishonesty. If you have not purchased 2016 child welfare pins please contact me msgsgt2@vahoo.com or the National Directeur. This is the last year for the angel pins and I gather they will be changing design next year. The pins are \$3.00 each. I remind the Locales that funds from the Sandy fund are still available this year. This fund was established for hurricane Sandy a few years ago for the purpose of disaster. If you have a large case such as house fire or flooding, these funds can be requested from the National Directeur. These funds will be converted to the freedom Honor Flight Program if not used. In closing I again wish everyone a Merry Christmas and a Happy New Year. Thanks for all you do

Ben Sargent Grand Directeur, Child Welfare
